

# The Ultimate Ramadan Dua List

*And your Lord said: Invoke Me (and ask Me for anything) I will respond to your (invocation).  
(Surah al-Ghafir 40:60)*

## TOP TIPS TO INCREASE DUA ACCEPTANCE

1. Set aside a specific time to make these duas and limit distractions. Maybe plan it out using the various categories if you can't do all of it in one go (approximate times have been given to help you manage this).
2. Recommended actions whilst making dua:
  - Facing the qiblah and raising hands
  - Sincerely repenting for your sins, both major and minor
  - Calling upon Allah (swt) using His beautiful names and attributes
  - Praising Allah (swt) and then sending salam/peace upon Muhammad (saw).
3. Be focused and sincere. Have certainty that He (swt) will answer your duas.
4. Be patient with Allah's (swt) response. Remember Allah's (swt) response will be one of three answers: 1) yes 2) yes but later 3) I will instead prevent/ward off some evil/hardship/issue from reaching you.

## 1. DUAS FOR PARENTING AND MY HOME (3 MINS)

- Oh Allah, I turn to You in humility for Your help in parenting my children. Assist me with physical & emotional strength to be a good parent and an example to my children.
- Oh Allah, I know that our children are an amaanah/trust from You, to care for and to raise in a manner that is pleasing to You. Help me do that in the best way.
- Teach me how to love in a way that You would have me love. Help me where I need to be healed, improved, nurtured, and made whole.
- Help me walk in righteousness and integrity so that You may always be pleased with me.
- Allow me to be a God-fearing role model with all the communication, teaching, and nurturing skills that I may need.
- Allah help me to connect with my children. Help me to bond with them at a level where the love and affection is strong, where there is openness, respect and where shaytaan is unable to penetrate.
- Please Allaah, keep our family always happy and wholesome and a source of goodness so that the light of the family unit guides every individual in the family and protects them from the evils of the dunya.
- Keep our home safe so it is a sanctuary against the evil of society. Help us to create an environment where our home is more inviting to our kids than the malls and general social areas and they prefer to be home rather than out on the streets, in clubs, movies, bars and other such places of evil.
- Please Allaah grant us barakah in our time so that time is ample for strengthening family relations and much of our time is utilized as such.
- Allah please remove the usage of harsh language and course mannerisms in our home. Maintain respect, kindness, gratitude and mercy and help my children to carry those values to the homes they create in the future.
- Help me to know what to say to my children that will open up our pathways of communication so that they find it easy to talk to me and do not ever feel the need to hide things from me out of fear or shame.
- Help my spouse and I to be the best Muslims we can be, so that we are the best role models to our children. Help me to not be a hypocrite and force my children to behave in a way that I do not aspire to behave.
- The family is the cornerstone of a stable society so please strengthen my family with imaan so that we are proud flag bearers of Islam and through our stable, solid family unit may the ummah be strengthened in both unity and Imaan.

## 2. DUAS FOR MY CHILDREN (6 MINS)

- Oh Allah, You know what our children need. Help and guide us in praying for our children.
- Oh Allah, put a hedge of safety around our children. Protect their bodies, minds, and emotions from any kind of evil and harm.
- Oh Allah, I pray that You protect them from accidents, diseases, injuries, and any other physical, mental, or emotional afflictions and abuse.

- Oh Allah, I pray that You keep our children free from any addictions and vices.
- Draw them close to You for protection from every ill and evil influence of our society, whether it's apparent to us or not.
- Guide their inclinations so that in an adverse situation their feeling would be to turn to You first and then to the family instead of turning to dunya.
- Oh Allah, grant them the best of company as their friends — people who will inspire them to love, worship and obey You.
- Oh Allah, grant our children hidaaya/guidance and a heart that loves to obey You.
- Shine Your light on any secret or unseen rebellion in their hearts and destroy it before it takes root.
- Oh Allah, guide them away from any pride, selfishness, jealousy, hypocrisy, malice, and greed and make them uncomfortable with sins.
- Penetrate their hearts with Your love and reverence today and always.
- Oh Allah, make apparent to them the truth in any situation and let them not be misled by falsehood.
- Oh Allah, grant our children the ability to make clear decisions and let them always be attracted to good things that are pure, noble, true, and just.
- Oh Allah, guide them in making choices that please You.
- Oh Allah, help them to taste the sweetness of walking with a humble spirit in obedience and submission to You.
- Oh Allah, grant them the wisdom to choose their words carefully and bless them with a generous and caring spirit.
- Oh Allah, I pray that they never stray from the path of deen and that You give them a future filled with Your best promises.
- Oh Allah, always keep our children cleansed and pure from evil and shaytaan.
- Oh Allah, keep them steadfast in establishing Salaah and help them revere the Glorious Quran as Your Word and Law and to read it with understanding daily. Let it be their source of light and guidance.
- Oh Allah, let our daughters love wearing hijab and our sons the dress of a humble Muslim.
- Let their dress be a representation of their Imaan and of their love and respect for Your commands.
- Lead them to a position where they rely truly on Your power alone and fear You in the open and in secret.
- Oh Allah, make them so strong in their deen that they never encounter doubt.
- Oh Allah, do not allow any negative attitudes in the place of our children's lives.
- Oh Allah, guide our children in honouring and obeying You, Your Prophet (peace be upon him), and us as parents (when we are commanding that which is pleasing to You).
- Oh Allah, fill our children with compassion and caring that will overflow to each member of our family.
- Oh Allah, help them love, value, appreciate, and respect one another with good communication between them always.
- Oh Allah, drive out any division between our children and bring them healing.
- I pray there be no strain, breach, misunderstanding, arguing, fighting, or severing of ties.

- Oh Allah, allow them to one day marry righteous, God-fearing, kind, hard-working, intelligent, healthy spouses who get along with and respect and love every member of our family and who lead our children (i.e. their spouses) even closer to You and Jannat ul Firdaus.
- Oh Allah, please grant me the company of pious friends, relatives, extended community members, and teachers who will be inspirational role models for my children and will help me raise them to be the best of believers.
- Oh Allah, please don't let me become self-satisfied and arrogant in my parenting, but please don't humble me or shame me through my children's misdeeds either. Please let me always give credit for their good character to You and please don't ever let me stop praying for them.
- Oh Allah, protect my children from debt. Make them givers and not takers.
- Oh Allah, grant my children noble professions with halal incomes that give them respect and dignity in Your Eyes and in the eyes of their fellow human beings.
- Oh Allah, grant them worldly comfort so that my children can come to You through the Door of Gratitude and so that they are not forced to come to You through the Door of Patience. Please let them always be grateful...and patient.
- Oh Allah, I pray for a close, loving, happy and fulfilling relationship with them for all the days of our lives and to be reunited with them in Jannat ul Firdaus.
- Ya Allah Save our children from the impact of our mistakes in their lives.
- Ya Allah Make our children the coolness of our eyes, grant them piety and make them sawaab-e-jaariya for me & my spouse.
- Ya Allah make them Hufaadh, who act upon what they have memorised, and teach it to others. Ya Allah Make our children workers for Your Deen, da'ees, imaams, scholars and shaheeds.
- Ya Allah Grant our children success in Deen, duniya & Akhirah & grant us a lineage of righteous offspring until Yawm al Qiyaamah.
